SIZE GUIDE

HOW TO MEASURE (RING)

METHOD 1: USING AN EXISTING RING

- Pick a ring that already fits your finger comfortably.
- Measure its inner diameter in millimeters/centimeters (mm/cm).
- Match your measurement with the closest Amrapali ring size in mm/cm using the chart below.

METHOD 2: THE HANDS ON METHOD

- Take a measuring tape, string, or strip of paper.
- Wrap it around the finger where you plan to wear the ring.
- Mark the spot where the ends meet using a pen or marker.
- Lay the string or paper at and measure its length in millimeters/centimeters (mm/cm).
- This measurement is your fingers circumference.
- Use the chart below to convert this circumference into diameter. The corresponding diameter is your Amrapali ring size.

Tips for Accurate Sizing

Measure your finger at days end for the most accurate size.
